

Grace Vance

MULTIMEDIA REPORTER

573-673-3200 | gracevance99@gmail.com | GraceVance.com

EXPERIENCE

Technical Media Producer (June 2021 – Present)
KCRG-TV9

Directed the daily 11 a.m. newscast, edited video for the 4, 5, 6 and 11 a.m. newscasts and weekend 6 and 8 a.m. newscasts, and ran television programming for ABC, NBC and FOX

- Worked as Director, Interim Editor, Drone Pilot and Master Control Operator
- Coded and directed the 11 a.m. newscast using ENPS and Ross Overdrive
- Adjusted cameras as necessary during show
- Edited video for morning newscasts using Edius, ENPS and Aurora Browse
- Ran programming for KCRG, an ABC affiliate, and KYOU, a FOX and NBC affiliate, using station automation systems and NVerzion

Multimedia Reporter (Jan. 2020 – May 2021)
Vox Magazine

Pitched, reported and produced multimedia packages and written stories for a monthly print magazine with daily digital publication, including a COVID-19 package and reported essay

- Adapted to COVID-19 by creating content for Vox’s social media accounts and producing remotely reported feature packages

Floor Director, Interim Director (July 2018 – June 2021)
Reynolds Journalism Institute

Operated multiple cameras during live-to-tape production of the shows “Radio Friends with Paul Pepper”, “Post” and “Global Journalist”

- Worked as Interim Director for “Radio Friends with Paul Pepper”, airing on KBIA, an NPR affiliate, and KMOS, a PBS station
- Worked as Floor Director for KOMU 8’s Special Election Coverage, the Columbia Missourian Progress Awards, and the National Association of Broadcasters and Reynolds Journalism Institute Vaccine Education Toolkit episodes
- Worked as Co-Director and Co-Producer for the Reynolds Journalism Institute Student Innovation Competition awards
- Worked as Co-Producer and Floor Director for Mizzou Athletics ROAR awards

Audience Research Consultant (Aug. 2020 – Dec. 2020)
Lookout Local Santa Cruz

- Conducted audience research to assist Lookout Local Santa Cruz, an enterprising startup news company, in achieving its community engagement goals
- Worked in a four person team to develop and analyze survey data from UCSC students to provide Lookout Local recommendations to reach the student population
